

Framery App™

The simplest way for finding and booking the perfect workspace in seconds.

framery

The Framery App helps employees easily find and book the perfect space whether they need a pod for a quick call or a room for a brainstorming session. The Framery App makes finding and reserving a space easier than ever. It's designed to make everyone's workday smoother and more focused.

Framery App / Product highlights

DESIGNED FOR EVERY USER

The Framery App is so simple that anyone can start booking and adjusting reservations the moment they download it.

BOOK IN A FEW SECONDS

Whether you have an adhoc need for a space or you want to secure a room for a meeting later, the booking takes only a few seconds.

FILTER SPACES AND SAVE FAVORITES

Filter by capacity and equipment to find a workspace tailored to your needs, and save your favorite spots for even faster booking.

CALENDAR VIEW WITH RESERVATIONS

View your upcoming meeting locations at a glance or reserve spaces for your appointments in just a couple of taps.

COMPLETE OFFICE VISIBILITY

Bring the entire workspace into Framery App. Add every space from Framery smart pods to traditional meeting rooms so every available space is discoverable.

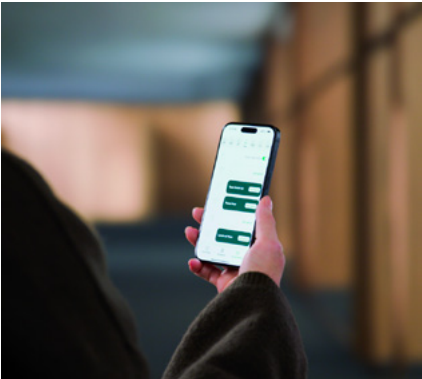

REAL-TIME CALENDAR SYNC

Zero-latency synchronization for all individual and space calendars. Built for Microsoft 365 and Google Workspace.
